Clampers Association of Roisterous Peddlers

December 1, 2021

C.A.R.P. Members,

As of November 8, 2021, E Clampus Vitus Inc. has recognized as well as authorized C.A.R.P. to be the authority of ALL ECV Inc. trademarked items as it pertains to their use on items sold to ECV members. ALL chapters in good standing are authorized to use ECV trademarked items for use in their publications, signage, items for sale, etc.

In the event that ECV Inc. trademarked items are being used by non-clampers, we as C.A.R.P. members need to address the issue with our chapter officers and C.A.R.P officers.

The use of E Clampus Vitus trademarked items for sale on chapter web sites should not be available to non-clampers, this includes widder's, orphans, etc. ALL online stores shall have a password to get into the chapter store to visit and buy ALL ECV Inc. related items. This password protection needs to be in place prior to April 1, 2022.
